(Respondent: Circle one).

GOUSA’s Five Points of Opportunity (as described at GOUSA’s website: www.grandopportunityusa.org)

1. Personal Opportunity

Representing “...Life, Liberty, and the pursuit of Happiness” & our Constitutional freedoms, every other point depends on these truths. Without liberty, we have no freedom, no security, and no prosperity. We value life and support the 1st Amendment, 2nd Amendment and other Amendments to the Constitution, our personal privacy rights and states’ rights. We oppose the broad expansion of the federal government and its increasing use of unconstitutional power, political censorship and court packing, and will hold our elected officials accountable.

Initial: Affirm _____ or Reject _____

Notes / Disclaimers (if applicable): _____

2. Economic Opportunity

Representing free market economics, domestic job growth, lower taxes, fair trade, common sense regulations, and a pro-small business government agenda. We oppose the unchecked power of technology monopolies and corporate oligarchs, increasing the national debt, and fraud, waste and corruption in government. We also oppose expanded government ownership and control of industry and the economy / socialism.

Initial: Affirm _____ or Reject _____

Notes / Disclaimers (if applicable): _____

3. Social Opportunity

Representing equal civil rights for people of all backgrounds, races, ages, religions, orientations, lifestyles, classes and political beliefs. We oppose all forms of bigotry and identity and racial politics, and oppose divisive politics including Critical Race Theory. We support the 2-parent nuclear family - same or opposite sex, and affordable & accessible market-driven health care for all via both a government public option and private plans, prison reform, and assistance for veterans, the elderly, the disabled, disadvantaged youth & those most in need.

Initial: Affirm _____ or Reject _____

Notes / Disclaimers (if applicable): _____

4. Educational Opportunity

Representing the best education for our children through school choice, school vouchers, and more parental involvement in the classroom, teaching factual American history, US politics & civics in schools – and not political indoctrination, free speech on campus, supporting vocational schools, charter schools, STEM studies, and economically viable career paths & addressing the high cost of tuition through college and government reforms.

Initial: Affirm _____ or Reject _____

Notes / Disclaimers (if applicable): _____

5. National Opportunity

Representing securing our nation’s safety through U.S. military strength and readiness, supporting our servicemen & women, ending endless wars, supporting our police, fire and first responders and remaining a country of laws and enforcement, supporting border security, lawful immigration, stemming border crime and drugs, demanding transparent, free & fair elections and voter ID laws, and supporting sensible and science-based environmental and renewable energy solutions while regaining American energy independence.
